DEDICATION

We the class of 1983 would like to dedicate our yearbook to our class advisor, Mr. Keup. His thoughtful leadership has allowed us to raise sufficient funds for our proms and other expenses. He has also been invaluable with his support of our class officers and our prom committee. In addition, Mr. Keup is a science teacher and the girls' cross country coach. Even though he is very busy, Mr. Keup has always given us all of the help that we need. The class of 1983 would like to thank Mr. Keup, for his continued support and helpful assistance.

William K. Keup

SPECIAL THANKS

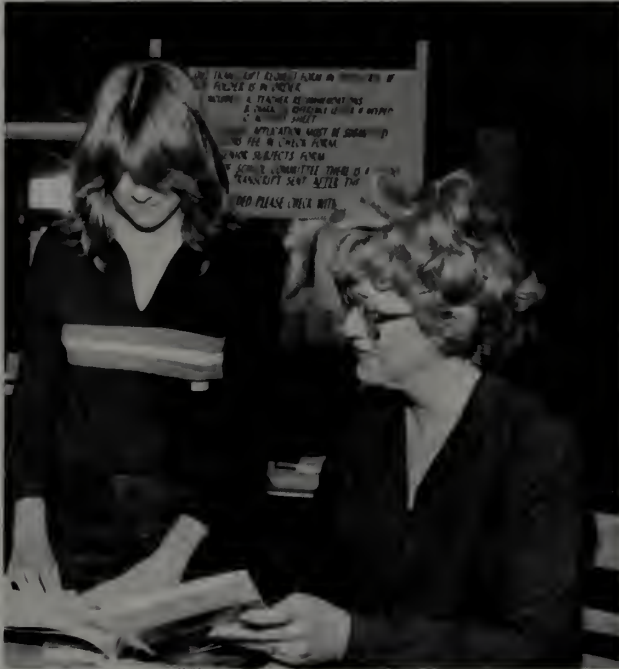

Eugene Eagles, III, D.M.D., P.C.
Bedford Professional Bldg.

50 Loomis Street
Bedford, Mass. 01730

Mrs. Chamberlain has been a school secretary in the student office for thirteen years. She is perfect for a job in a school because she loves kids and is nice to everybody. Providing the students with a mother figure, she is happy to take anyone under her wing of warmth and guidance. We feel that she is a very important part of a student's experience at Bedford High School and we would therefore like to give her our special thanks.

Mrs. MacLeod, an occupational resource center coordinator, works in the counseling office. Hers is the smiling face that meets the bewildered students at the door. When seniors are working on their applications for college, she is willing to help with any problems that they may encounter. We would also like to give our special thanks to Mrs. MacLeod.

THE DOOR

Before you is a doorway,
Behind you lies your past,
Blts of broken memories,
You thought would never last.

The doorway is an exit,
And though you really don't want to leave,
You can't stay here forever,
For memories are but dreams.

The dreams are Pandoras' folly;
Keep them but don't let them lead.
On the other side is your new life,
There at the tum of a key.

Your memories, they have substance.
When you go bring them along,
And in times of great dispair,
Think of them — they'll make you strong

Even with all I've told you
The choice is only yours
To pass on through to the next stage
Or stay in your fantasy world.

Yes! You've made the right choice.
Pass through to the other side.
But don't close the door behind you —
Keep your memories by your side.

— Jim Devine

Life goes on,
Long after the thrill of living is
Gone, so let it rock, let it roll
Let the bible belt come and save my
Soul, hold on to seventeen as long as
You can, changes come around real
soon
To make us women and men.
— J. Cougar

Our memories of yesterday
Will last a lifetime
We'll take the best, forget the rest,
And someday we'll find
These are the best of times.

We drench ourselves
With the grace of exhaustion,
And the ecstasy of knowing
We are worthy to receive it.

Never thought about tomorrow
It seemed like a long time to come.

Sean Carter
1965-1982

To you Sean
Although you are gone
Your presence is near,
We see you in dreams
Your voice we can hear.
We will never forget
Your thoughtful ways,
Your friendly face
Is remembered always.
There's a special place
In each and every heart
For the memories of you
Are too special for us to part . . .
Love always and forever,
Your friends

REMEMBER WHEN

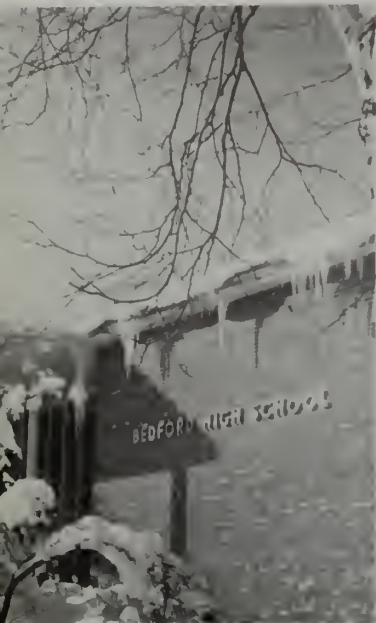

"Do you remember when ..." is a frequent saying of the members of the Senior Class this year. Because of this, these old pictures were included in the yearbook. All right Seniors, do you remember when these pictures were taken?

VALEDICTORIAN

Elizabeth D. Telford

When asked, "What is the purpose of high school?" most people would instinctively say that it is for gaining knowledge. Of course this is true, but to me high school is not just a place to learn who won the War of 1812 or what a coulomb is. High school, both inside and outside the classroom, is a place to learn how to work, how to play, how to laugh, how to cry, how to be an individual, and how to be a friend. Unlike the factual information, which certainly may benefit you but may also lie stagnant in the dark recesses of your brain, these lessons will guide and aid you throughout the rest of your life. The student on the track team, although he or she may not win, learns that personal effort and achievement is just as satisfying as being champion. The art student on the other hand, not only develops a skill, but also a sense of patience and sensitivity which extends into other aspects of his life. Likewise, the lead in a musical or a soloist in a band concert learns to face and conquer apprehension with poise and confidence. However, all students, no matter what they do, realize the importance of being an individual and the value of friendship. Our mentors were not kidding when they said the teenage years were emotionally trying. But somehow, with laughter and the support of friends, we survive. We enter high school as insecure, but optimistic freshmen and we leave equipped with all the knowledge our teachers and experiences have given us. Perhaps we are not totally self-confident or certain of our direction in life. Yet, because of our high school experience, we can continue to grow, learn, and live wisely to our full capacity.

SPORTS

Who's on first?

The Bedford High School baseball team had a very disappointing season. It is important to note, however, that fundamentally the team showed that it was capable of playing sound baseball. Coach Sabourin feels that with a little more intensity and with a little better pitching, Bedford will be competitive and ready to challenge for the Dual County League championship. We are looking forward to next season.

Take me out to the ball game!

We finished the season in second place with a league record of 12-3. There was good team effort especially by our graduated pitcher Kathleen Davidson, and our returning junior catcher Maureen Bench. The team played exceptionally well together, always anticipating where the next play would be going. With a second place finish it allowed us to be in the State Softball Playoffs. Our first state game was against Marian with a 13-2 win. Then we played East Boston, who was state champs the year before, and we won that game 8-3. That put us into the quarterfinals against Ipswich, which we lost due to postponement and the senior prom. The Dual County All-Star representatives were graduates: Lois Farrell, Kathleen Davidson, Kristin Lunquist, and returning senior Michelle Busa. The Lowell All-Star was Lois Farrell and Kathleen Davidson and these two were also picked as "players of the year". Lois Farrell was the only team member elected as Globe Scholastic All-Star.

What a racket!

Although our record of 2 and 10 is not impressive on the books, it was one of the best seasons for a long time. Many matches went down to the last set and many of the scores were 3-2. We lost our first doubles team of Morse and Donovan to graduation but the rest of the team will be returning.

One Step At A Time

This year's team was predominantly underclassmen. Assistant Coach De-Copua has helped rejuvenate the program. The Town Department has finally provided us with a respectable track facility. We feel the program is going to continually improve. Bryant Wingood qualified for the State meet in the 440 yard dash.

In the cradle of life . . .

We had a slow start this year, losing our first five games in a row, but we ended up with a respectable seven and eight record. We lost a bit of talent last year when seniors Ray Boudreau, Mike Goguen, John Garibotto, Fred Yanosick, Jim Carter, and Co-Captains, Pat Weatherbee, and Mike Montemagno graduated. However, we also have a lot of returning lettermen such as Keith Ciampa, Dan Colonero, Guy Montemagno, Chris Miller, Dan Williams, Sean McCaffrey, and Jim Gettman. We look forward to a productive season in 1983. We would also like to say thanks and goodbye to Coach Hayes. He made us work hard, but he did an excellent job with the team.

Sheer Determination!

The 1982 Bedford High football team finished with a 1-7-2 record. The record, however, does not tell the story of the season. Coach Sabourin and his staff feel that this year's team has restored several important qualities necessary to re-establishing the winning football tradition to Bedford High School. In spite of adversity, this year's team consisted of a very cohesive and dedicated group of young men. Their main characteristic was they were willing to make any sacrifice in order to achieve success. Success can be measured in many ways, but true success can only be measured when one derives the benefits of his endeavors and when one learns to strive

and reach milestones with enthusiasm. Learning about oneself and being willing to conform to group goals can be a very fulfilling experience. Though the benefits may not be obvious today, so often future success is based on past deeds and experiences. This may well be the case to the 1982 players.

The contribution to the football tradition by the 1982 football team is the return of respect and dignity into football at Bedford High. We, the coaches, appreciate it and we are grateful to them. As coaches, we feel they have learned about themselves through football and this confidence will be an asset to themselves in future years.

Put the Ball in the Net!

Our disappointing record this year does not reflect how hard we worked or all the talent we had. Led by our tri-captains Michelle Busa, Molly Silvestrone, and Pam Wetherbee, we fought our way through one of the most difficult leagues in the state and overcame many injuries. Two of our players, Michelle Busa, and Jan Hamann, were chosen for the Dual County League all star team, and both also received honors from the Lowell Sun. Although we faced many obstacles, we still managed to have a great time, and we will miss our graduating seniors very much next year!

Stick it to them!

Our team record was 4-8-2. We scored 9 goals and had only 11 scored on us. Our season consisted of 14 games. There was outstanding play by both the forwards and defense but exceptional play was performed by the defense. Outstanding play was accomplished by all members of the team with special recognition to the four young ladies who made Dual-County All-star: Capt. Marge Powderly, Capt. Sara Folweiler, Maureen Bench and Meg Isnor, and especially to Mary Beth Conway who was our outstanding goalie. The most goals scored on us were two games by 2-0. The games were played by the Division 1 State Champs — Acton, and by the Division 2 State Champs — Weston. Each game consisted of 60 straight minutes and with Mary Beth only allowing 9 goals in the whole season. We would like to especially thank our coach Miss "G" for helping us and putting up with everything that we did. Good-luck to the Varsity Field Hockey Team of 1983!

This year's basketball team compiled a record of 7-11. The team found its leadership in a strong group of seniors. Playing key roles for the team were captain Leon Lousarian, All-Star Joe Maskalenko, and center Mark French. Also making invaluable contributions were Doug Traynor, Paul Freeman, Mike Kempton, Andy Ringle, and Tom Papalia. While this cast of seniors will be missed, a strong foundation of underclassmen will be left to continue the rebuilding of Bedford basketball.

Dual County League Champs!

Co-Captains Pam Wetherbee and Michelle Busa led the way to a fantastic season this year. The team finished off their league games by beating Weston, thereby assuring themselves the Dual County League Championship. Both Co-Captains were chosen as All-Stars and Michelle Busa was leading scorer and co-MVP of the league. The DCL Coach of the Year was B.H.S. Coach Patuleia.

Setting the pace . . .

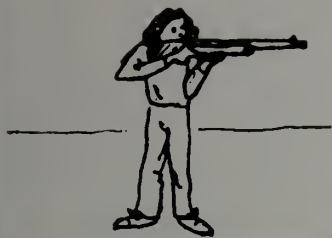

Winter track is a sport that has something for everyone: hurdles, shotput, high jump, sprints, middle and long distances. Under the leadership of Co-Captains Ken Pliska and Pat Towle, the team experienced a season filled with personal bests. One notable success was achieved by Pat Towle with his 34.6 for the 300 yard dash, setting a new B.H.S. record at this distance. The team worked well together this season, while the record of 1-6 does not reflect the amount that the individuals improved and shared.

Due to bad winter weather, the Ski Team wasn't able to practice as much as they would have liked. However, they did manage to capture a couple of third places. The "Down Hillers" did very well sending two skiers to states: Kim Merrick and Barry Yacheshyn. The "Cross-Countryers" did their best despite having very few people and the girls CC team improved greatly throughout the season. Bedford had five skiers in the top 15 on the DCL: Bill Webster, Rich Aldridge, Sara Folweiler, Kim Merrick and Tina Collyer.

This is yet another typical story of a BHS sports team. In the beginning, the girls' gymnastic team **had** the ability to have a winning season. But, in the end, injuries and other misfortunes had turned that theory around.

Karen Donadio returned once again to coach the team. The team as a whole had a very promising start with the return of a strong and experienced Varsity squad plus a promising JV team. The team's performance improved consistently, noted by the team score raising at each meet. This was an accomplishment because the team was up against tremendous odds, due to the lack of proper equipment to practice on.

Overall, the team had a losing season, but their enthusiasm was a winning one. It was unfortunate that the injuries had to happen and the equipment was less than perfect, but despite those minor setbacks the team had a great attitude throughout the otherwise disappointing season. Congrats to the 1983 gymnastic team and good luck for 1984.

His 100th!

This year marked a special event for Bedford High School football Coach Armand Sabourin — his 100th career win! During his fifteen years in Bedford, he has touched the lives of many boys through his dedication and love of the game and its players. The standards he sets for the boys can best be epitomized by one of his favorite sayings, "Do not pray for an easy life. Pray to be a strong person."

We would like to use this page to honor Mr. Sabourin and to wish him many more victories . . . on and off the field.

THE MIKADO

The 1982 musical comedy "The Mikado" was a hit. The hilarious Gilbert and Sullivan opera was performed on three consecutive nights and attracted a massive audience for each show.

The story takes place in Japan in the province of Titipu. Before the action of the opera begins, Nanki-Poo has fled from the court of his father, the Mikado of Japan, to escape marriage with an elderly lady named Katisha. Assuming the disguise of a musician, he has then fallen in love with a fair maiden, Yum-Yum; but he has been prevented from marrying her by her guardian, Ko-Ko, who wishes to marry her himself. Ko-Ko, however, has been condemned to death for flirting, and, when Act I opens, Nanki-Poo is hastening to the court of Ko-Ko in Titipu to find out if Yum-Yum is now free to marry him. Well, she is not free to marry him just yet and the story takes crazy twists from there, until the two are together at last, and everyone is happy.

The show was filled with many tremendously colorful and exciting chorus scenes due to bright kimonos and colorful fans. There were also many solos, quartets, and touching ballads that were all sung with excellence. The show really captured the magic of Japan.

Gee, look at that!!

Three select vocal groups at B.H.S. are the Barbershop Quartet, the Madrigal, and the Double Sextette. The B.H.S. Barbershop Quartet is an extracurricular group that prepares music without any teacher supervision. The members of this group arrange their schedules so that they are able to rehearse after school in order to prepare for performances.

The Madrigal is an eighteen member mixed vocal group which meets every other day of the school year. This group performs in three concerts per year along with the choir, and its members also have the option of performing in the musical comedy in the spring.

The Double Sextette is a sixteen member female vocal group whose members are also members of either the Choir or the Madrigal. This group rehearses every Monday and Thursday after school under the supervision of Barbara Walline. In addition to the Concerts throughout the year and the spring musical, this group also gives performances throughout the surrounding area.

L to R: Barbara Walline, Kathrina Bryan, Ginger Miller, Laura Feltman, Carol Richardson, Gail Hulbert, Sarah Robinson, Sue Ayasse, Mary Giurleo, Tina Carr, Laura Kupfrian, Carolyn Killam, Lynne Telford, Christine Donadio, Heather Johnson, Riye Yukawa, Cindy Johnson.

MARCHING TO THE BEAT OF A DIFFERENT DRUM

Katie, Stacy, Carolyn, and Molly got the beat!!

When the B.H.S. Superband hits the field, WATCH OUT! Made up of the Wind Ensemble and a few members from Concert Band, the Superband entertained fans at football games with precision marching to such hits as "We Got the Beat", "Centerfold", "Physical". During football season, the band practices every Friday afternoon and Saturday morning. The final result. Different pregame and halftime shows each week that are entertaining and sometimes funny. For instance, in "Pac-Man Fever", the tuba's chased the majorettes around in a mock video game. In addition to their playing and marching, members of the band showed class and school spirit at every game.

Is it Halftime?

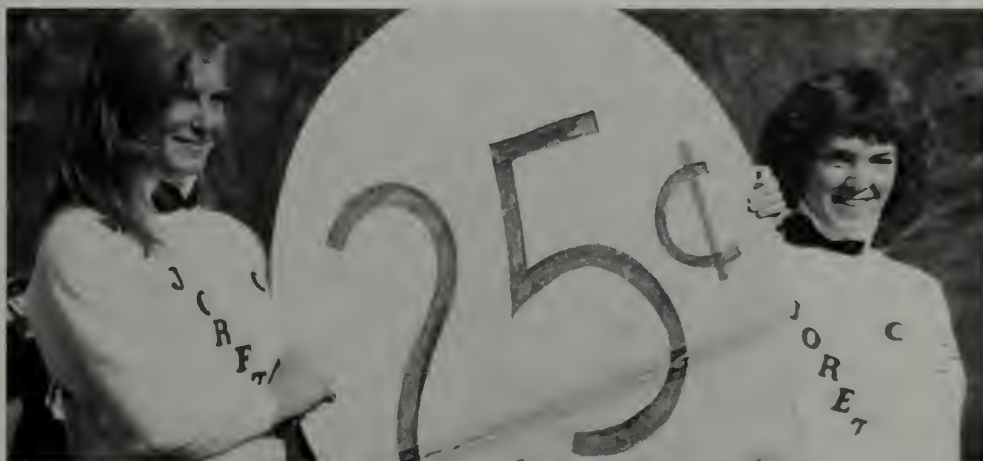

B.H.S. Marching Superband

What a smile, Mary!!

MAJORETTES TWIRL THEIR WAY INTO YOUR HEARTS

Barbara and Nancy perform during the halftime show.

For four years, Nancy Sullivan, Barbara Birch, Krissy Connors, and Gail Hulbert have been performing at halftime shows, parades, and pep rallies. Three years ago, Mary Giurleo and Carol Richardson, along with four freshmen, Melinda Lopez, Ann-Marie Stella, Anne Weaver, and Julie Pelletier, joined the squad. For the past three years, these girls have performed spectacular twirling routines and show stopping, high kicking dance routines. Although the squad is ending their career together, no one will ever forget the wonderful times shared while entertaining the public.

Krissy on the road to happiness.

BLOWIN' IN THE WIND

I love my baritone!

Concentration!

I'm supposed to be able to play THAT??!!

You mean you really want me to play?

Meeting every day during Period E, the BHS Wind Ensemble is one of the more select groups at our school. This organization consists of close to fifty musicians who must perform an audition to join the group. Wind plays a variety of music styles from classical to popular. The members of the ensemble make up the Orchestra, Pit Orchestra, Jazz Ensemble, and Marching Band. The Wind Ensemble performs at the Spring Concert, Winter Concert, and the Concert on the Green.

JAZZ IT UP

Gumby inspires Lori & Raj.

"76 Trombones"

Doesn't he belong on the muppets?

One of the most popular musical groups at BHS is the Jazz Ensemble. It consists of approximately thirty students who play saxophone, trumpet, trombone, tuba, guitar, bass, and percussion. They perform songs from a variety of styles such as big band, blues, jazz, and contemporary. The group rehearses every Friday at 2:30 pm after football season ends to begin preparation for the Winter Concert, Spring Concert, and Concert-on-the-Green. Most students agree that it is a lot of work, but feel that it is one of the best activities at BHS.

Carolyn and her million dollar smile

Whether performing alone or accompanying the choir and ensembles, the orchestra always performs well. It is a group of approximately forty students. The string section meets every other day during the school year, and full orchestra generally rehearses once a week. One of the highlights of the year for the orchestra is the annual Christmas Concert in which the members perform with the choir and ensembles. The orchestra also performs at the Spring Concerts.

Phyllis and Amy concentrate on their music.

Bethanne, Jay, and Kirk play their hearts out.

Lori anxiously awaits her entrance.

The Concert Band consists of a group of about sixty musicians that meet every other day during the school year. The members of this organization have the option of performing with the marching band during football season or just performing at the Winter and Spring Concerts and the Concerts on the Green. This group plays a wide variety of music and always gives a very entertaining performance.

Practice makes perfect!!

Twosome Tubas!

Mr. Toland offers his words of wisdom.

PATRONS OF MUSIC STUDENTS

Mr. Phinney offers his comments concerning the POMS organization.

Patrons of Music Students enjoy their dinner.

Mrs. Orlando, President of POMS, conducts the fall meeting.

POMS is the organization which supports the development of the Music Department at Bedford High. There are no formal membership requirements. Two meetings of the POMS membership are held each year: one in the fall and one in the spring. POMS is run between meetings by an executive board of officers and committee chairpeople.

POMS operates the Chuckwagon during football season to supply funds to enrich the Bedford High School music program; provides robes for the choir; sponsors the youth concerts for students; coordinates private music lessons for students, and provides chaperones for buses used by the band during football season.

Every music student is thankful for the POMS organization because not only does it help all groups financially, but its members also give all performers a great deal of encouragement and support.

It's time for a munchie break!

POINT

TELE-MEDIA

Every school year, the Tele-media Organization puts forth exciting, and informative productions. This year was no exception! ASK THE PRINCIPAL and the morning show (STARTING POINT) continued to be educational, as well as enjoyable for the school. A new program was introduced, FORUM, which brought guests in to answer questions from a studio audience. FORUM was hosted by Lisa Manning, while STARTING POINT was hosted by Rosanne McGugh, John Orlando, Ginger Miller, and Nancy Sullivan (sports). Seniors Scott Campbell, John Epeneter, Eric Gerdes, Jennifer Hilker, Elaine Kenison, John Kuffel, William Lindley, Carol Richardson, Kirk Schwarzenbach, Robert Snider, Mark Wachslar, and especially Elizabeth McCulloch, and Amy Theobald (the producers), spent many long hours putting everything together. It was well worth it!

Although the weather outside didn't seem like spring, the atmosphere inside the gym was warm and spring-like. As the couples made their way from such restaurants as Alfonso's and the Colonial Inn, they would make their way through the beautifully decorated arch and over the bridge in to the wonderfully transformed gym. Decorated in yellow and green streamers, the gym-turned-garden included swings and even a gazebo complete with a fountain. The band "Perfection" performed for the class of 1983 and the highlight of the evening was the crowning of the King, Joel Shamon, and the Queen, Barbara Birch. When the last song was over, the couples once again walked over the bridge and through the arch. Despite the fact that the next time they would see the gym it would be back to being like any other gym, each would have memories of May 29, 1982 to reflect back on.

SPIRIT WEEK

upper left: Senior class cheering section above: Senior Football Players

Spirit Week is a week that precedes the annual Homecoming football game and weekend. It is a week that is set aside for BHS students to act and dress a little "differently" than normal.

Each day of the week had a different theme:

Hat, Sock, and Tie Day, Tropical Day, 60's Day, Do Your Own Thing Day, and Blue & White Day. There was also the traditional hall decorating contest, which the Juniors won this year, that provided some heated competition between the different classes.

The week was wrapped up on Friday with a pep rally that included speeches by coaches, captains, and performances by the cheerleaders and majorettes.

upper left: Queen Dianne Serra and Lisa Manning. upper right Lisa, Diane, and Kerri Dougherty.

Despite the football team's loss to Lincoln-Sudbury, October 2, 1982 was a special day for five Senior girls. The five nominees rode in the traditional red convertible around the track to their waiting fathers. Finally, the long awaited announcement was made and the girls were presented with flowers. The Homecoming Queen of 1982 was Dianne Serra and her court consisted of Kerri Dougherty, Lisa Manning, Sue Ayasse and Nancy Sullivan. The Homecoming celebrations continued that night with the traditional Homecoming Dance. All in all, it was a weekend to be remembered.

With much hard work, ambition and the motto of "classy", the 1983 Missile Staff put together a yearbook with a "new image". One big change was replacing the job of editor-in-chief with an editorial board of five. Instead of one person assuming all the responsibilities, they were equally split up as each editor took charge of a different section. Another change was filling up empty space with candid, candid and more candid!

The actual organization for the 1983 Missile began in May of 1982. After a disappointing 1982 edition due to the lack of help and participation, the call for volunteers from the new advisor, Mrs. Hovsepian, brought in many responses. In September the real work began. With the first deadline in November, the staff had a great deal of work ahead of them. If it weren't for the help of all the staff, the deadlines would have never been met. After getting into the swing of things, the staff discovered that putting out a yearbook wasn't all that hard, it just took up time.

Finally, the last deadline came and went and the staff could breathe a sigh of relief. They feel that the 1983 Missile would be the start of a new look for BHS yearbooks. What's in store for the future yearbooks? Color pictures and individual pictures for underclassmen.

The 1983 Missile Staff thanks all of the people that helped him make this yearbook classy. Every effort was greatly appreciated. Good Luck 1984 Missile Staff!

As we turn and look back
upon all these years

We remember the good times,
the laughter, the tears

But the best of the memories
that will never fade

Are the good times we've spent
with the friends we've made.

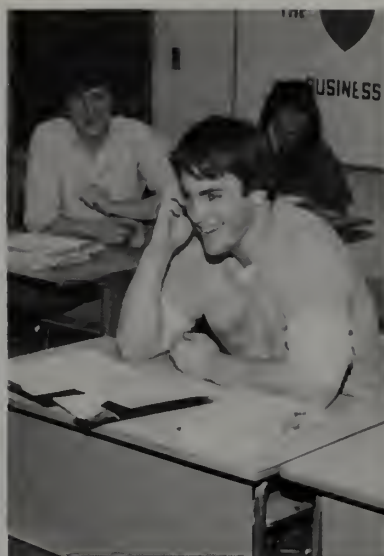

And if in the future your life is
in despair....

These are the people who will
always be there.

So if you think that parting
is strange

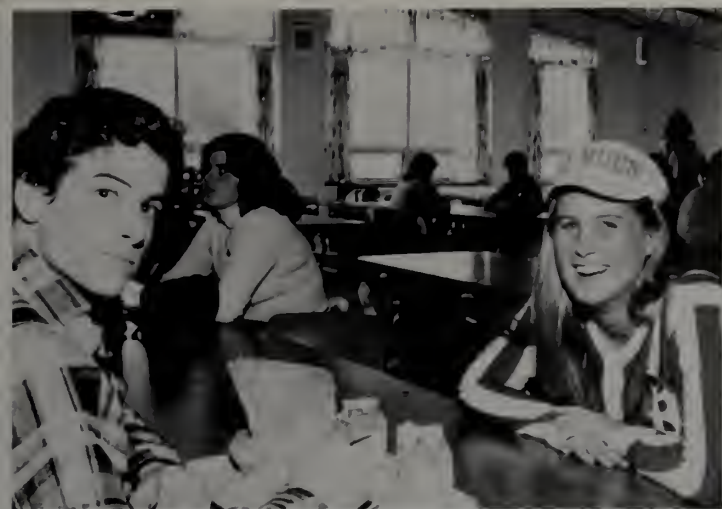

*It's not an end, it's only
a change*

And you may believe that the
good times are done

*But you'll soon find out
they've only just begun....*
